TRAINING CAMP 4

The fourth official WOC2022 training camp will take place in the period 18-24 October 2021. The training camp will include 9 trainings and two WRE competitions at the end of the camp.

Our aim with the training camp is to offer high quality trainings in several of our best training areas. In all areas, we will present technical sprint orienteering relevant for WOC 2022. The maps are drawn for WOC 2022 by our WOC mapper.

For all trainings, we have arranged access permission to areas of private property. Note that it will not be allowed to do the training sessions outside the arranged training hours.

Preliminary programme

9 Technical training sessions will be prepared during the weekdays Monday-Friday, 18-22 October. The trainings will be held on these maps:

- Odense
- Haderslev
- Assens

- Teglgårdsparken

The exercises will comprise KO-training, route choice training, loops/intervals, long/short legs etc. More information will be released with Bulletin 1 in June 2021.

An invitation for the WRE events in Aabenraa and Billund 23-24 October can be found [here](#).

Covid-19

For the moment (April) we still experience a lockdown in Denmark due to Covid-19, but we expect the situation to improve during spring and summer, and we therefore believe that it will be possible to organise the training camp without impeding restrictions. We are following the situation closely and we will publish updates on our website and in the following bulletins as soon as changes might appear.
